

**Huntsville Forester, January 20<sup>th</sup>, 2010**

The Town of Huntsville has been awarded federal funding to assist with a Port Sydney Beautification Project.

The project includes:

**Building Components**

- ◆ Repairs and modifications to the existing public washrooms located at the public beach on Mary Lake in Port Sydney
- ◆ Construction of a beachfront observation deck area in front of the existing public washrooms
- ◆ Resurfacing of the existing dock/pier surface

**Landscape Components**

- ◆ Construction of an exterior staircase leading to the deck at the Port Sydney Hall
- ◆ Improvements to the existing parking area at the Port Sydney Hall

To be eligible to bid on all or components of the above project the Town of Huntsville is developing a pre-qualified list of contractors and encourages all qualified contractors to submit a written letter of interest including relevant qualifications and references no later than 4:30 PM, January 27<sup>th</sup>, 2010. Letters of interest are to be submitted to the Clerks Department at 37 Main St. E. in a sealed envelope between the hours of 8:30 am to 4:30 pm Monday to Friday.

The Town of Huntsville intends to select a pre-qualified list of contractors from those who submit a letter of interest within the timeframe above. Those pre-qualified contractors will be invited to a mandatory site meeting on Friday January 29<sup>th</sup>, 2010 at 1pm, in meeting room #2 on the second floor of the Huntsville municipal offices located at 37 Main St. E. in Huntsville, followed by a site visit in Port Sydney. Project details to be provided to those pre-qualified contractors at that meeting.

**Proposals will be accepted until 2pm, Friday February 12, 2010, at the Clerks Department located at 37 Main St. E. in a sealed envelope between the hours of 8:30 am to 4:30 pm Monday to Friday**

Completion date of this project is March 31, 2010.
