**PLEASE CONTACT PUBLIC WORKS PRIOR TO BACKFILLING FOR FINAL INSPECTION.
APPLICANT MUST RETAIN THIS FORM WHEN REQUESTING FINAL INSPECTION.**

Note: In applying for this permit, the owner/applicant acknowledges that the Town storm sewer may not have been constructed to accommodate all storm flow events. Connection to the Town storm sewer may result in basement flooding during unusually high flows which may result in property damage. In accepting this permit and connecting to the Town storm sewer, the owner/applicant absolves the Town of any damages which may occur as a result of a sewer backup.
